Sideboard
This sideboard has 2 sliding doors and 3 drawers in the centre. Behind the doors is enough storage space for files etc.

Hinged door cupboards
These hinged door cupboards have stainless steel door handles and a central lock. The doors are available in white, light grey, maple, graphite, anthracite or glass. Cupboards have rear walls, for any uneven flooring the cupboards have a height adjustment in the base to ensure that they stand level.

Sliding door cupboards
These sliding doors offer a space saving capability. They are lockable and have stainless steel door handles. These come in several numbers of shelf variation. The 2 and 3 shelf models are stackable. All the cupboards have rear walls, enabling them to be placed free-standing in offices.

These sliding door cupboards have **steel shelves**, which have a greater load capacity compared to wooden shelves.
